

VISIT TO CASTLES AND MANORS

SUMMARY

The landscapes around Nyborg - and generally in Fyn - are home to many castles and manors, each with an interesting history. Today, almost all of them are privately owned, and only a few can be visited by guests.

Some of the castles and manors with accompanying parks that can be visited by appointment from time to time include:

- Nyborg Castle and Ramparts (The Ramparts are publicly accessible - the castle will open in 2027 after restoration)
- Holckenhavn Castle (By appointment for events - the park is generally open during daylight hours)
- Glorup Manor (the park is open during daylight hours)
- Lykkesholm Castle (By appointment for events)
- Ørbæklunde Manor (by appointment for events)

ADD ON

It is possible to arrange dinners in the knight's hall at Lykkesholm Castle with local ingredients.

Ørbæklunde Manor has agreements with the owner, allowing VisitNyborg to open it a few times a year for guided tours by the owner himself. The visit can be supplemented, for example, with a standing sandwich or similar.

FUN FACT

There are a total of 123 castles and manors in Fyn, so the above is a small part of these - all located in Eastern Fyn around Nyborg.
